

## BMAT registration form

This form is designed as an aid for centres making entries via the Cambridge Assessment Admissions Testing Entries Extranet. It will NOT be accepted as an entry by Cambridge Assessment Admissions Testing.

Entries must be made by centres between 1 September and 15 October 2017. Late fees will apply after midnight BST on 1 October. No entries will be accepted after 18:00 BST on 15 October 2017.

This registration form should NOT be returned to Cambridge Assessment Admissions Testing but should be handed to your test centre.

All entries must be made by registered centres via the Cambridge Assessment Admissions Testing Entries Extranet.

Centre Examinations Officers wishing to make changes to an entry should NOT make a new entry but should view/edit the entry which has already been made. Please be aware that making a new entry may result in additional late entry fees or cause a delay in the reporting of results.

Please note, applicants must only take BMAT once in an admissions cycle. Students taking BMAT – September must not be registered for BMAT – November.

### DATA PROTECTION NOTICE/CONSENT

Please note that by registering and taking the BioMedical Admissions Test (BMAT), you are agreeing that data provided as part of the entry or admission process may be passed to Cambridge Assessment Admissions Testing and any institution involved in your application for a place at one of the BMAT institutions, and also that your data may be used for research purposes (including by the General Medical Council for the purposes of the Medical Act 1983 and the UKMED Development Group). You also agree that if you obtain a place on a course where BMAT results form part of the admissions process, then your University may supply Cambridge Assessment Admissions Testing with data about your application and results in subsequent assessments at that University, unless you specifically notify the University in writing. We store personal data securely and will ensure if candidate data is used in publications or research that it is used anonymously.
