

### ENQUIRIES ABOUT EXAMINATION RESULTS

G.C.E. results are published on Thursday 17<sup>th</sup> August 2017, G.C.S.E. on Thursday 24<sup>th</sup> August. If, on receiving your results, you are particularly unhappy with the grade or mark, it may be worth pursuing a results enquiry. Before proceeding, this should be discussed with the relevant Head of Department and/or HM. Unless the total of marks shows that the next grade up was only narrowly missed, it may not be advisable to proceed. If the Head of Department wishes to query your result, (s)he will contact you beforehand for your consent. It is very important to remember that a subject grade may be raised, confirmed or lowered after an enquiry.

The Examination Boards offer various levels of post-results services :

Post - results service			Notes

<b>EAR1</b>	Clerical check	<b>20 Sept. '17</b>	Check that all marks allocated have been included in totals, & correctly added & transcribed.
<b>ATSP</b>	Access to photocopied script	<b>28 Sept. '17</b>	Allows review of script to aid preparation for re-sit, etc. May be requested alone or in conjunction with re-mark or clerical check, but will not arrive in time for any further action.
<b>ATSO</b>	Access to original script	<b>28 Sept. '17</b>	Return of the original script precludes any further action.

There is a further appeals process, but only against an Examination Board's alleged failure to follow due process; it is not possible to appeal against the marks awarded by a Board.

All the above services carry a fee, which varies from Board to Board, but ranges from ca. £60 per paper for a priority re-mark, to about £15 for the supply of a script. Fees are refunded only if the enquiry brings about a change in the overall grade for the subject.
