

Segar's House News Summer 2016

Birthdays

This term, thirteen members of the house had their birthdays, as always they celebrated with a delicious cake or a pile of waffles made by Mrs Roche—we thank her very much! Congratulations to: Guy Fabian-Hunt, Sam Shuker, Jamie Galbraith, Archie Nicholson, Louis Williams, Alfie Rippon, Rex Bodycombe, Felix Brash, Alessandro Corrias, Finn Campbell, Alex Koenig, George Nikolaev and Tom Reed.

Farewell to our U6th/Leaders in waiting

We say farewell to a tremendous U6th, led with aplomb by Will Philips and Freddie Boyce. They were a year group who worked hard and were blessed with a great sense of fun. We shall miss them.

As we look to the new, next year's senior house prefect team has been announced.

Head of House - Tom Garrod

Deputy Head of House - Alfie Rippon

School Prefect - Max Hinton

School Prefect - Max Heil

Senior House Prefect/Peer Listener - Salmon Lau

Senior House Prefect - Gleb Izmaylov

Congratulations must also go to Jamie Fabian-Hunt for becoming Head of Chapel Choir.

Lower Sixth Prefect training

On the leave weekend, 11, of us in the Lower Sixth, along with Mr Roche, Ms Richens and Mr Turner, voyaged to the Jurassic coast of Dorset. Mr Roche saw this as the best opportunity to see how our year group worked as a unit and to undertake our prefect training. We took part in a series of activities such as coasteering and quarry cricket! We slept out under the stars and cooked our food on a campfire. We have returned to Segar's that little bit closer together and more ready to lead the house next year

And in sporting news...

Sam Shuker and Brandon Allen represented the school at the very top table this term: Sam coxed the school's VIII at Henley, whilst Brandon kept wicket for the school's 1st XI (and even for Gloucestershire 1st XI earlier in the season). Freddie Boyce captained the school's athletics team. James Colson-Lake represented the school at the national sailing championships. At house level the juniors came runner up in the house rowing competition and we came 3rd in the junior house cricket. Back in Segar's 'Yard Cricket' has been in the ascendance again with Mr Ferraby and Mr Boyce always at the heart of things.

Drama

For those who missed the House Play...

The house play (both created and run by the boys in house), was most certainly the start of a house tradition, and an unprecedented success. We as a house performed 3 or 4 scenes from the classics; Another Country, South downs and Coram Boy. This allowed a lot of the boys to show off their various talents in acting. The evening raised over £2000 towards the school's charity 'Restore', and our thanks to the parents for their generous donations towards the raffle.

House dinner

Once again, our house dinner played a significant part for everyone associated with the house, with the atmosphere vibrant, the company so entertaining and the food so tasty we all shared a night to remember. Which included comedic awards and emotional farewells. The house as usual showed itself in a brilliant light, which was testified by all of our guests for the evening, and it was a night to remember.

House waffle nights/barbeques

The House Waffle machine has certainly been put to use this year. There have been Waffle Nights for the boy's with the most improved grade cards, for birthday parties, for vertical Pod groups, or sometimes just when we feel like it. Our thanks to Mrs Roche for hosting us when we are hungry.

Speech Day Awards

Congratulations to the following for obtaining awards at Gaudy. It was an awesome showing from Segar's

Shell Music Prize - Matthew Colson Lake

Edward Dingwall Memorial Prize - Max Hinton
Thomas Chamberlain Medals - Freddie Boyce, Will Phillips, Bastian Tholstrup

The Woodward Cup

A new award in Segar's that will go each year to the boy (from any year group) that most embodies the house's Core Values. Named after Edward Woodward, who leaves us this year and who always put the house first—this year it goes to Gleb Izmaylov.

Gaudy Celebrations

The Gaudy celebrations were absolutely amazing and the boys in Segar's were right in the heart of things. There were the concerts, the plays, the cricket, and a very surreal version of Segar's Ball (only the sixth from are able to explain). It was a fitting and celebratory end to a busy term.

Segar's say farewell

Sadly we are losing Mr Nelmes and Mr Ferraby to other establishments at the end of this year. Both have been absolute stalwarts in house. Mr Nelmes has served as AHM for four years and has always given his all to the house. We shall miss how he challenges our intellects at all hours and his zest for life. The very best of luck to them both for the future—vale.

And a very warm welcome to **Mr Palferman** who will join us as **AHM** as of next year. In keeping with tradition, Mr Palferman is a classicist....
