## EXAMINATION ENTRY REQUEST

### **Candidate Entry Form for those who have recently left St Edward's**

#### *Information for Candidates*

*The following information explains what will happen if you apply to take an examination at St Edward's.*

If you wish to take an examination at St Edward's after you have formally left the School you will need to complete this form which gives us enough details to enter you for that examination. Please use the Examination Boards websites to obtain full details of the exams you wish to enter.

There are various entry deadlines imposed by the Examination Boards – after which increased fees will apply. It is best that we receive the completed form in January in the year for which the exam is to be sat and no later than mid-February. If you subsequently decide to withdraw from the examination, you may be liable to late withdrawal fees as levied by the Examinations Board.

The options for method of payment will be provided separately.
