

**HEAD OF ECONOMICS – INFORMATION FOR CANDIDATES
FOR APPOINTMENT IN SEPTEMBER 2018
CLOSING DATE FOR APPLICATIONS: 29th April 2018**

A message from the Warden

Thank you for expressing an interest in working at St. Edward's - a traditional co-educational boarding school with progressive educational principles, set in the heart of Oxford.

St Edward's is a refreshingly different kind of school – the deliberate emphasis on a broad range of academic abilities on entry creates a community that fizzles with varied interests and enthusiasms. We are one of very few schools to successfully offer both A Level and the International Baccalaureate in the Sixth Form, further supporting the diversity of our pupil body.

We want to equip our pupils with the best exam grades they can achieve, and our results and value-added scores show how well we do this; but just as importantly, we believe that education is about the whole person: we emphasise the development of wider learning skills in the classroom, complemented by a rich and varied co-curricular programme.

This is a very exciting time for us – we are embarking on an ambitious building programme as the school continues to grow. You can find out more about our academic results and our distinctive ethos on our website <https://www.stedwardsoxford.org/>. You can find a copy of our prospectus [here](#).

About the School

Founded in 1863, St Edward's is an independent, co-educational boarding school for pupils aged 13 to 18 (year 9 to year 13); there are presently 680 pupils, of whom 85% are boarders. Our boy/girl split is 60:40 and overseas pupils make up 15% of our community.

There are 12 boarding Houses, each with around 60 pupils from all year groups.

The school week includes lessons on Saturday mornings, apart from leave weekends or exeats which occur about every three weeks.

The boarding and day arrangements offer flexibility for families: day pupils may leave at 6:30pm or 9:00pm (most opt for the latter), and boarding pupils may choose to go home on Saturdays after sport and other commitments - but with a rich and varied weekend programme, a significant proportion of the boarding community stays in school on Saturday nights.

Pupils take part in a wide range of sports and activities in the afternoons and at weekends. St Edward's has a national reputation for sport: both boys' and girls' teams have been county and regional champions in a variety of sports and at all ages.

All teaching staff play a full part in the boarding and co-curricular life of the school.

About the Economics Department

The Economics Department consists of a Head of Department and two full time teachers. There are two Economics classrooms which are furnished with Harkness tables. Innovation and experimentation is encouraged and supported, and members of the Department are expected to keep up to date with current best practice. Teachers collaborate on new ways of improving learning and we strive to develop independence and intellectual curiosity in our pupils.

We encourage the gifted and able and all interested pupils through the pupil-run Oppenheimer society. Pupils are encouraged to attend weekly seminars and clinics to support their learning.

About the Selection Process

Those candidates whose applications we are pursuing will be contacted shortly after the closing date and invited to interview. At this stage we will take up references unless the candidate explicitly asks us not to contact a referee at this stage.

If we receive a large number of high-quality applications then we may conduct preliminary telephone interviews in advance of a formal interview at the School. The formal interview will involve meetings with colleagues responsible for the various areas of the School's activities. These interviews will seek to assess how well the candidate meets the requirements of the post, and will include an assessment of the candidate's suitability to work with children. Candidates will be asked to teach a lesson and possibly observe a lesson and in turn give feedback to the Deputy Head Academic. They will also be given a tour of the School by a pupil. Candidates will be asked to bring with them to interview any certificates relating to qualifications mentioned on the application form and identity and proof of address documents. Any discrepancies or anomalies in the application form will be taken up at interview.
