

**TEACHER OF GEOGRAPHY**  
**FOR APPOINTMENT IN SEPTEMBER 2018 OR JANUARY 2019**  
**CLOSING DATE FOR APPLICATIONS: 25<sup>TH</sup> JUNE 2018**

**A message from the Warden**

Thank you for expressing an interest in working at St. Edward's - a traditional co-educational boarding school with progressive educational principles, set in the heart of Oxford.

St Edward's is a refreshingly different kind of school – the deliberate emphasis on a broad range of academic abilities on entry creates a community that fizzles with varied interests and enthusiasms. We are one of very few school to successfully offer both A Level and the International Baccalaureate in the Sixth Form, further supporting the diversity of our pupil body.

We want to equip our pupils with the best exam grades they can achieve, and our results and value-add scores show how well we do this; but just as importantly, we believe that education is about the whole person: we emphasise the development of wider learning skills in the class room, complemented by a rich and varied co-curricular programme.

This is a very exciting time for us – we are embarking on an ambitious building programme as the school continues to grow. You can find out more about our academic results and our distinctive ethos on our website <https://www.stedwardsoxford.org/>. You can find a copy of our prospectus [here](#).

**About the School**

Founded in 1863, St Edward's is an independent, co-educational boarding school for pupils aged 13 to 18 (year 9 to year 13); there are presently 680 pupils, of whom 85% are boarders. Our boy/girl split is 60:40 and overseas pupils make up 15% of our community.

There are 12 boarding Houses, each with around 60 pupils from all year groups. The school week includes lessons on Saturday mornings, apart from leave weekends or exeats which occur about every three weeks.

The boarding and day arrangements offer flexibility for families: day pupils may leave at 6:30pm or 9:00pm (most opt for the latter), and boarding pupils may choose to go home on Saturdays after sport and other commitments - but with a rich and varied weekend programme, a significant proportion of the boarding community stays in school on Saturday nights. Pupils take part in a wide range of sports and activities in the afternoons and at weekends. St Edward's has a national reputation for sport: both boys' and girls' teams have been county and regional champions in a variety of sports and at all ages.

All teaching staff play a full part in the boarding and co-curricular life of the school.

### **About the Geography Department**

Geography is flourishing at the School, and is a popular option at IGCSE, A Level and as part of the IB Diploma.

The Geography Department comprises five recently refurbished classrooms, including one room which is a Harkness classroom, exemplifying our dynamic, innovative and engaging pedagogical approach. Teachers are supported in reflecting on their classroom practice and developing new ways of enhancing pupils' learning as we strive to develop independence and intellectual curiosity in our pupils.

Junior and Senior Geography Societies help to enhance and enrich pupils' understanding of Geography through regular workshops and presentations, which may be led by members of the department or by external guest speakers. The Department has close links with the Geographical Association and hosts numerous lectures, seminars and revision courses throughout the academic year.
