- 1 pair rugby/football boots
- Gum shield for rugby/hockey (click [here](#) to request information about the School's recommended supplier, OPRO)

Name tapes should be sewn into the collars and waistbands of all items of clothing.

Recent reports suggest that boots containing blades e.g. Adidas Predator range, rather than conventional studs, heighten the risk of ankle injuries amongst children. The master in charge of rugby strongly advises that these boots are unsuitable, and, if possible, boots with a conventional stud system should be purchased.
