Michaelmas Term – edited by Sanders (U6th)

New Shells

We welcomed a lively new bunch of shells at the start of the term who quickly got into the Segar's way of life. They seem to be firm friends already, and they **WON** the Shell Play Competition (directed by Alessandro and Finn in the Lower Sixth). They also **WON** the house junior maths competition and they came runner up in the junior rugby. A promising start to their careers!

Birthdays

There were lots of birthdays to celebrate this term! 15 in total. Special mention to Matthew Wilkins, Anish Mehta and Naoki Kishida on their 18th birthdays (but the most important birthday was Ms Richens!). We are all very grateful to Mr Roche and Mrs Roche to allow us to celebrate in their kitchen and for Mrs Roche's amazing cake baking.

New Tutors

We welcomed many new tutors to the house this term. Our new Assistant House Master: Mr Storey (Head of Biology), moved from Sing's House (a promotion we reckon!). Our new resident tutor: Mr Marjot (Head of ESS), moved over from Tilly's. New to the school we have Miss Barnes (Maths), and returning back to Segar's we have Mr Scates (English). These new tutors are a great addition to the team we have currently, with Mr Roche (English), Ms Richens, Mr Tester (Head of Music), Mr Taylor (Head of Classics) and Dr Rigby (Head of Physics)

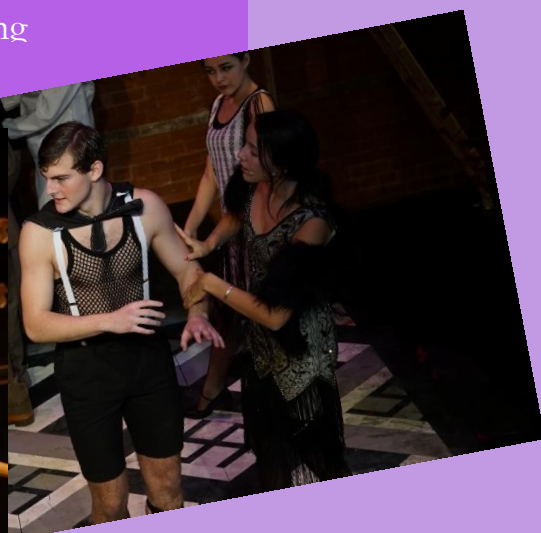

Winners of the Lower School Maths Competition

This term's Lower School Maths competition was won by Segar's! The team consisted of Omar and Ludo (shells) and Hugo and Stanley (4ths), led by myself (Sanders) in the Upper Sixth. In the first section of the competition, the team scored 50/54. It was a well-deserved victory as many coaching sessions and Maths sessions were done beforehand!

Life is a Cabaret

There were seven boys from Segar's in this term's school play – Cabaret. It was a fabulous production. Congratulations to Matthew W, Tom, Damola, Giacomo, Matthew L and to back stage crew – Alessandro and Felix Pickering

Michaelmas Term

Winners in House Cross Country and House Rugby

On one of those balmy September days, Segar's won the senior steeplechase. This was a heroic effort from the boys and is the first time a Quad side house has won the senior event in 15 years. Mr Roche led the boys round, and particular credit goes to Nick, Damola, Ark and Winston for coming in the top 20. All boys gave a great showing – purple power!

On one of those miserable November days, the Segar's 4th form won the junior house rugby, beating Field in the final. The Shells came runners up in their competition. The future is bright.

Choristers

Segar's is lucky enough to have 13 choristers in its ranks who all featured heavily in the school's Christmas carol services. Guy Fabian-Hunt (Head of Choir) sung a solo in both of the major carol services.

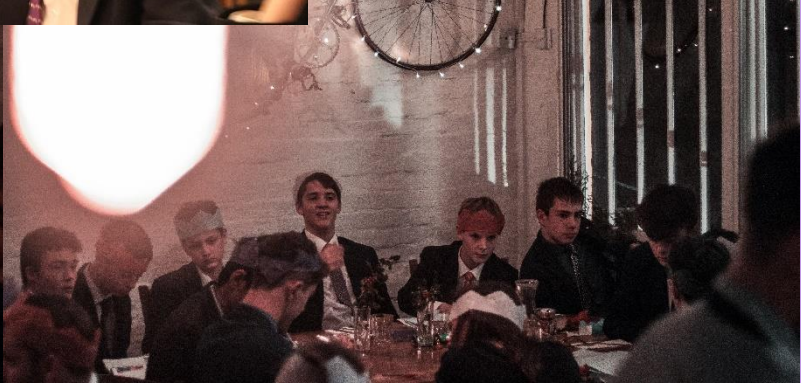

Well done to Jackson, Seb, Ludo, Albert, Matthew, Louis, Masato, Arya, Winston, Tom, Guy, Naoki, Anish

The Segar's Big Weekend

The Segar's Big Weekend provided a brilliant opportunity for the boys in Segar's to take a break, have some fun and bond with together as a house. We started off the weekend by eating dinner together in Cooper's lodge; our house prides itself on the way the year groups interact so we sat with people from a range of year groups and celebrated two of our fellow students' birthdays (Anish and Paddy). On the Sunday morning we prepared to go to war via Paintballing. The competitive spirit was pretty strong: boys were wearing bandanas and 'borrowed' CCF kit and everyone was gunning for the House Staff (fair play to Mr Roche, Mr Storey and Mr Marjot for entering the arena). At 'Delta Force' we put down our Segar's ties and picked up our paintball guns. After a long and bloody final battle we stumbled out of Delta Force closer than ever.

Happy Christmas Segar's !
