

# WELCOME TO THE OSE SOCIETY

ST. EDWARD'S  
OXFORD

You are now part of a worldwide community of over 9000 OSE – join other OSE in making the most of everything the Society has to offer! We will support you in your next steps; through social events, sports, networking, career advice and much more.

## Social Events

The Beyond Teddies Team organises a range of subsidised events throughout the year – including drinks in London; Martyrs' sports fixtures; treating university students to supper out; networking events; and not forgetting the Carol Services in London and at Teddies. Come and join other recent leavers at **The Loop Bar**, in central London, on the 9th November 2023 – this is definitely not one to miss! To see photos from our recent events, and to find out more, scan the code below:

## The Martyrs

Once you leave Teddies, you can play for 'The Martyrs' (our alumni Sports Teams) in a variety of sports – a great opportunity to play sport informally and competitively and enjoy some socials afterwards. Come back to Upper I for rugby or cricket and a curry; catch up with other OSE in London playing hockey and football; play golf (subsidised by the OSE Society!); come back to Teddies for the annual Sport Day in March and much more... We also have MAD Martyrs for those interested in Music, Art, Dance and Drama.

## The Rhubarb Colours!

The OSE Society's iconic 'Rhubarb' colours means fellow OSE (and their pets!) are **hard to miss in our branded merchandise**. From **blazers to ties, to dog collars and deck chairs**, we stand out from other alumni!

## Careers and Networking

Professional career advice is available to all OSE until graduating from university. Our global OSE network contains **professionals across a broad range of careers**, who can share their skills and expertise with you through **mentorship**. We host **regular networking events**, so keep an eye out for these!
